

Hill Country CattleWomen

"Deep in the Heart of Texas the Stars Shine Bright"
7th Annual HCCW Spring Round Up

Dear Business-Community Partner:

We are asking your support of the Hill Country CattleWomen's (HCCW) "*Spring Roundup*" on Saturday, April 18, 2020, at the Texas Rangers Heritage Center in Fredericksburg, TX. Weldon Henson will provide music and entertainment for dancing and Hired Gun Chuck Wagon caterers will be grilling steaks to order. There will be time to socialize prior to supper as well as live and silent auctions.

Fredericksburg is "Deep in the Heart of Texas" and we are asking you to join us in celebrating that special culture that surrounds this beautiful place.

It is through the generosity of organizations like yours that proceeds are raised to educate youth about nutrition and how their food is raised, to promote the legacy of responsible stewardship and to award scholarships for college juniors and seniors as well as for those attending trade schools. HCCW beef promotions and educational endeavors reach all ages throughout the Texas Hill Country. Our membership covers 14 counties of the beautiful Hill Country. We meet regularly and work diligently to be positive partners in our communities.

Sponsors will be included on our website and Facebook page, listed in the "*Spring Roundup*" program, and highlighted during a video presentation to be seen during the event. Two to three hundred people have routinely attended our annual event and it has become a must-be-there event for many from across Texas.

If you would like to attend, Premier seating for 10 is \$1,250 per table and reserved seating for 10 is \$750 per table. For additional information concerning the event or the benefits of donating or purchasing a Premier table, please contact us.

The rewards of supporting the education of our children are endless. On behalf of the Hill Country CattleWomen, thank you for your consideration.

Sincerely,

Kitty-Sue Quinn
